No. APNMC/1010/2015

24-07-2015

From

The Registrar,

A.P. Nurses and Midwives Council,

Sultanbazar, Hyderabad.

To

All the Principals of all Government Colleges  
of Nursing in Andhra Pradesh and Telangana State.

Madam,

Sub: B.Sc (N) Syllabus- Regarding.

Ref: F.No.1-5/2015-INC Dt. 16-06-2015

\*\*\*

Adverting to the above subject, this is to bring to your kind notice that the Indian Nursing Council has issued a circular as per above reference, resolving that

- a) Research to be shifted to third year along with practical hours  
(45 theory + 45 practical)
- b) Midwifery and OBG to be shifted to fourth year and 180 hours  
of practical can be covered in internship.

You are requested to send your remarks on the above in view of the following.

1. Research is shifted to third year, which will limit the students projects to MSN and child Health. Projects related to MON, CHN-II and MNSE can not be taken up by the students.
2. In third year 130 hours will be reduced, as MON is shifted to fourth year and fourth year hours will increase thereby total hours.

Further, your considerations on P.B. B.Sc (N) curriculum are also requested in order to inform Indian Nursing Council, New Delhi for necessary action.

Your remarks on the above mentioned aspects in consultation with teaching faculty shall be sent to apnursingcouncil@gmail.com and / or apnmcouncil@yahoo.in with in 15 days after receipt of this letter for further communication to INC, New Delhi.

Thanking you

Yours faithfully
